Highlights

Choose from 16 colours

Choose your favourite colour out of the 16 different colours including white.

Diffused light effect

All the different colours blend naturally into your interior thanks to the diffused light effect with an output of 125 lumen/metre.

Automatic colour changing mode

The remote control offers 4 different settings to automatically change the colours of the LightStrips.

Dimmable

Adjust the brightness by using the remote control.

Cornering without limits

The LightStrips Flex are easy to install in different types of applications. The 4 included flexible connectors allow you to make every possible corner when necessary.

Cut to size

If your LightStrips do not exactly fit the required application, you can easily cut them to size. Cutting marks on the product indicate where to cut.

Plug and Play: easy installation

The LightStrips are very easy to install and guarantee immediate fun thanks to the plug and play principle. Everything you need is included in the box and explained in the Quick Start Guide.

Easy to mount

Paste the LightStrips wherever you like thanks to the integrated adhesive strip on the back.

Easy to connect

The LightStrips Flex are easy to connect thanks to the integrated pin contacts. It is possible to connect up to 1.6 m or 5 individual pieces of LightStrips Flex.
